

Forged from CrV steel in one single piece. With perfect toothing.

SlimLine Ratchets 1/4" and 1/2". With extremely flat head and shaft.

Fine toothing: Several of the 90 teeth engage simultaneously for transferring extremely high torque. Allows working where space is tight. Reverse lever for clockwise and counter-clockwise rotation. Forged from CrV-steel, double nickel plated with matt chrome plated finish. Grip of oil- and acid-resistant TPR (Thermoplastic Rubber) with practical hanging hole.
