

Workshop special set: With forged, short tubular hexagon box spanners and externally gripping ratchet.

13-piece special set 5.5 to 14mm.

For long bolts and screws.

With reversible ratchet, TPR (thermoplastic rubber) grip, 55mm extension (open construction as well) and adapter with 1/4" (6.3mm) square. In robust steel box (powder coated) with strong plastic tray.

NO 23 602

The solution to your problem:
Open ratchets and sockets
allow bolts and studs to protrude.

The Driver-System:
The driving force is applied
to the flanks, not the corners.

**2 YEAR
GUARANTEE!**

For full
professional use!

Sockets and drive elements
carry an additional
25 year guarantee
against faulty material
and workmanship.
