### California Residents Prop 65 Information

**⚠ WARNING:**

This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**Video MSG**

Three bi-metallic Japanese carving blades included.

The Power Carver MSG is supplied in a high-grade polypropylene storage case. It is attractive, extremely stable and sufficiently large to enable the machine to be replaced in it after completion of the work without fiddly refitting. A clear label on the side identifies the content.

### Replacement Carving Blades

High quality laminated steel (bi-metal) blades in V shape, large and small gouge, flat with straight and rounded cutting edge. All 5 to a set. For carving and detailing wood (all types), plaster of Paris, aerated concrete, linoleum. Also for removing fine layers of paint or finish.

**NO 28 572**

**Profiled Sharpening Stone**

Pure oilstone for a razor sharp cutting edge. With pre-profiled surface for easy sharpening and reshaping all carving knives in the PROXXON program (see above). Approx. dimensions 4" x 2 1/2" x 5/8" (100 x 63 x 15mm).

**NO 28 578**

**Note:**

Ideal for wood cutters: a rasp disc made of the same material in combination with the MICROMOT long neck angle grinder **LHW/E**.
