

Footswitch FS: For hands-free working.

Footswitch FS

This attachment frees your hands for easy on/off operation. To be used for all machines with a maximum power consumption of 5/8hp (500W) with two prong plugs. The switch has a housing of glass-fiber-reinforced nylon. The connecting cord is 98" (250cm) in length and the output cord is 19.5" (50cm). Ideal for both portable and stationary machines. If you are working with our 12V hand-held machines, the Footswitch FS is connected to the transformer.

NO 38 700
